

AMENDMENT OF OIL AND GAS LEASE

STATE OF WEST VIRGINIA }
 }
COUNTY OF MARSHALL }

This AMENDMENT OF OIL AND GAS LEASE (hereinafter referred to as "Amendment") is by and between John & Jennifer Mueller (hereinafter referred to as "Lessor") and Trans Energy, Inc. (hereinafter referred to as "Lessee").

WHEREAS, Lessor entered into that certain Oil and Gas Lease dated January 2, 2009, a Memorandum of which was duly recorded in Book 678, Page 235 of the County Clerk's Public Records of Marshall County, West Virginia (hereinafter referred to as "Said Lease") covering lands in District 3 as described in said Memorandum.

WHEREAS, certain terms of Paragraph 22 of Said Lease requires improved definition; and

WHEREAS, Lessor and Lessee agree to amend Paragraph 22 of Said Lease by making certain revisions, as if they were originally part of Said Lease as provided herein; and

NOW THEREFORE, in consideration of the premises and other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, the undersigned Lessor, his successors, heirs and/or assigns, do hereby amend the following terms of Paragraph 22 of Said Lease as though the terms specified below were part of the original lease, and does hereby amend Paragraph 22 of Said Lease by replacing Paragraph 22 in its entirety with the following language:

"22. This lease covers all formations and strata from the top of the Rhinestreet formation to the base of the Onondaga Limestone Formation, ("Target Formation"). The top of the Rhinestreet being that Geological Formation or its stratigraphic equivalent at 6,592' and the Base of the Onondaga Limestone being that Geological Formation or its stratigraphic equivalent at 7120' as depicted on the Allegheny Wire Line Services, Inc. Photo Density/Digital Dual Induction/Epithermal Neutron Log dated April 19, 2001 as measured from the rig kelly bushing at 1355' (elevation) for the Turm Oil Inc. – Handenshield #1 Well, API #37-059-23038 in Greene County, Pennsylvania. Lessee shall have the right of first refusal to lease all formations above the Rhinestreet and below the Onondaga Limestone. Upon Lessee commencing drilling operations to the Targeted Formation and its subsequent completion, this has the effect of holding all other formations, if they are unleased, on the subject lease for a period of one year for the benefit of Lessee to drill additional well either above or below the Target Formation subject to the terms and conditions of this lease. Lessee agrees to use all wells for the production of oil and gas unless approved by Lessor in writing."

The remainder of the lease shall remain otherwise as written and the undersigned does hereby grant, lease and let the land described above to Trans Energy, Inc., and its successors or assigns, on the terms and conditions of the lease as amended hereby.

All other terms and conditions of the Oil and Gas Lease shall remain in full force and effect.

ACCEPTED AND AGREED to this 29th day of January, 2010.
